CONTRACT CONDITIONS

1. Period of Contract

This Contract shall be for a term of 12 months. Including probation period of 2 months from 1st April 2020. Unless earlier terminated as hereinafter provided.

Note: The school has the right to break the contract for 1 or 2 months, depending on the need during the contract period by giving a month's notice in advance.

2. Duties of the Contractor

a) General

Throughout the duration of the contract the contractor will carry out Planned Preventive Maintenance Works as per the approved programme and attend to Breakdown repairs of all the air conditioners and water coolers, plumbing works related to Air Conditioners at the Indian School, Riffa Campus, (hereinafter called "The Works").

The Contractor shall provide all the breakdown service. All minor faults should be attended to immediately. If the fault is major, the equipment will be shut-down and the repair work involved will be intimated along with list of spare required as soon as possible and in any case not later than 48 hours of its need arising. In case of shutdown, temporary arrangement of running the services has to be made by the Contractor without any cost to the school. The cost of the spares charged should be competitive and supported with competitive quotations and has to be approved by the Employer.

The contractor will carry out a complete over hauling of the equipment's, except compressors. Repaint the rusted parts once in a year, during winter season, if necessary. The cost of spares and consumables bared by the school.

Upon initial inspection of equipments, the Contractor will prepare and submit a list of spares required to carry out the repair works which the Employer will arrange to supply to the Contractor. The contractor will prepare the history sheet for all equipment and update them always after each service / repairs. A copy of test report result shall be submitted after each test.

b) Contractor's Staff

The Contractor will keep in attendance during working hours of the school at least two fully trained and qualified technicians having minimum of 10 years of experience in similar field to attend to urgent Breakdown calls. Technicians should be from both Electrical and Mechanical disciplines respectively. Experience certificate for the technicians shall be from both Electrical and Mechanical disciplines respectively. Experience certificate for the technicians shall be submitted to the school. All planned Preventive Maintenance Works and the other repairs shall be programmed to be carried out after normal working hours with required additional staff. The Contractor shall prepare and submit a detailed weekly, monthly, half yearly and yearly Planned Preventive Maintenance Programme for approval involving all equipments and accessories should the Employer, for any reason whatsoever be of the opinion that any member of the staff appointed by the contractor is unsatisfactory, the contractor, upon receipt of written notice from the Employer, will immediately terminate the assessment of such person and make arrangements for a suitable replacement of the person approved by the School without stopping the execution of the works during this time. Should the Contractor fail to comply with the Employer's written instruction, with respect to the scope of work, despite the reasonable cause to do such work, the Employer reserves the right to withhold monthly payment. In so far as may be necessary to ensure compliance with the Contractor's obligations hereunder, the Employer shall be entitled to give instruction will not absolve or relieve the Contractor from any of his responsibilities or obligations hereunder. The Contractor's staff shall be in uniform.

Daily attendance register will be maintained at school for the Contractor's staff. Any absenteeism will be deducted as per the schedule of rates provided by the Contractor for all his staff.

c) **a) Specification**

The Works shall be executed to the highest standards and in accordance with all relevant safety codes, codes of practice. Instruction manuals and handbooks in line with the prevailing Government regulations / standards.

b) Tool, Equipment and consumables

The Contractor will provide all tools, equipments and consumables necessary for their staff to execute the works, as defined in Scope of Works.

d) **Transport**

The Contractor will provide the necessary transport for their staff to and from the location of the works.

e) **Regulations and Laws**

The Contractor shall comply with all the Statutes Ordinance Laws regulations and Bye-Laws of the Kingdom of Bahrain (including but not limited to the Bahrain Labor Law 1976, any subsequent amendments thereto) and shall pay and indemnify The Employer against any fees or charges legally demandable under the same in relation to the execution of the works.

3. Contract Sum

- a) In consideration of the due execution of the works, The contractor can submit the invoice which will be reviewed and certified by the employer and the payments will be after two weeks from the date of certification.
- b) The cost of all tools, and equipment spares purchased by the Contractor for the purpose of carrying out the type of work under his obligation of this contract, shall be to his account.

4. Access

The Employer will allow the Contractor access to ISB - every week day, including official Holidays in case of any emergency.

5. Indemnity and Insurance

The Contractor shall (as between the parties hereto) accept liability for and shall indemnify the Employer against any liability claim proceedings expense or loss in any respect of personal injury to or the death of any person whatsoever (unless due to the negligence or willful default of the Employer or of its employees or agents other than the Contractor) or in respect of damage to any property whatsoever to whomsoever belonging and wherever situated (including the works) where such injury death or damage as the case may be shall be caused by or arise out of or in course of the execution of the Works.

6. Confidentiality

No information relating to the Works shall be given transmitted or disclosed by the Contractor to any third party except in the proper performance of the works or with the prior written permission of the Employer.

7. Use of Other Contractors

In case of default on the part of the Contractor at any time during the execution of this Agreement for a period exceeding two working days, the Employer shall have the power to employ and pay other persons to execute the works and all expenses consequent thereon or incidental thereto shall be borne by and recoverable from the contractor and may be deducted by The Employer from any monies due or which may become due to the Contractor.

8. Termination

The Employer shall have the right to terminate this Agreement at any time without specifying a reason by giving thirty (30) days' notice in writing to the Contractor and in this event the Contractor shall be paid for that part of the works executed prior to the time of termination and such payment shall be accepted by the Contractor in full settlement of its entitlement to payment. The Contractor cannot terminate this Agreement unless frustrated by force major continuing for a period of at least sixty (60) days or unless the Employer is in default of its obligations under this Agreement in which case the Contractor shall give sixty (60) days' notice in writing to the Employer specifying the default provided that if such default is remedied within the period there be no termination.

9. Governing Law

The formal contract shall be executed in Kingdom of Bahrain and in accordance with laws in Kingdom of Bahrain. All dates and periods of time shall be construed in accordance with the Gregorian calendar.

10. Arbitration

Any dispute or difference arising out of this Agreement shall be referred to the arbitration and final decision of a person to be mutually agreed, or failing agreement within Forty (40) days of notice by one party to the other calling on the other to agree to the person named in the notice, a person to be appointed by a Competent Court in the Kingdom of Bahrain. The award of such arbitrator shall be final and binding on both parties. This Arbitration shall take place in Kingdom of Bahrain in accordance with Kingdom of Bahrain Law and shall be conducted in the English Language.

11. Assignment and Subletting

The Contractor shall not assign this Agreement or sublet the execution of the whole or any part thereof without the prior approval in writing of the Employer.

12. Designated Staff

The specified employees of the client are designated to co-ordinate on behalf of the employer and are entitled to give instructions to the supervisor in charge of the contractor.

13. Site Mobilization

The commencement date of the contract is 1st April 2020. The Contractor shall mobilize the work force and equipment and tools necessary for the performance of the Modification works and be ready to begin working at site on 1st April 2020.
